## BUSINESS BOOM STRIKES SENECA

Construction Work Being Done in Lively Town Exceeds Any Other S. C. Point.

(Special to The Intelligencer.)

Seneca, S. C., June 16.—It is doubtful if the construction work now going on in and around Seneca is exceeded at any other point in the State. Both the Southern Railway and the Western Union Telegraph Company have large forces at work here. Work began this morning on the new Presbyterian church, which when completed will cost about twenty thousand dollars; the county chaise (hang is located near here and is doing some excellent work, broadening and grading all the roads leading into town; the work on the Palmetto hotel is progressing rapidly, and when completed this will be one of the most up-to-date hostleries in the up-country. It will be equipped with an electric elevator and all modern conveniences; the town council have instructed the Board of Public Works to arrange for a continuance electric current, and a contract will likely be let in a few days, either with the Southern Power Co. or the Concorss-Power Company for a supply of electricity adequate for all purposes. The town has ten thousand dollars in the treasury available for this purpose.

An air of business push and progress is evident on every hand. The committees appointed to arrange for the various features of The Farmers chautauqua to be held in July are getting busy and plans are rapidly maturing to make this the biggest meeting of farmers and those interested in the industrial development and improvement of this section, ever held. One of the features of this big meet that is going to be stressed this year, is the Vehicle Exhibit of Farm Products. A capital prize of \$15.00 will be offered for the best exhibit of farm products displayed on a vehicle and a consolation prize of \$2.00 will be offered for every exhibit that is brought here on wheels on the first day of the Chautauqua, or if it is raining, that day, the first fair day. A hustling committee has been appointed on this feature, who are ready to begin to work.

The committee is as follows: M. E. Stribling, Seneca, Chairman; G. M. Barnett, County Demonstration Agent, Westminster; J. L. Kell, West Union, R. F. D.; W. T. Hays, West Seneca, R. F. D.; B. H. Cole, Westminster, R. F. D.; W. P. Morgan, Westminster, R. F. D.; Henry Doran, Westminster, R. F. D.; Dan Good, Walhalla, R. F. D.; Mal Murphy, Walhalla, R. F. D.; M. A. Moss, Salem.

Messrs. Ben Harper, Cliff Honeycut and Earl McMahon, three of the Rural Mail Carriers out of this office, purchased Ford's for their routes last week.

Mrs. W. J. Lunney has as her visitors for a few weeks her nieces, Messrs. Lucile and Dorothy Mason, and Lillian Floyd of Charlotte, N. C.

Mr. and Mrs. Cliff Finckannon of Lynchburg, Va., who have been visiting the former rather and sister, Mr. J. D. Finckannon and Mrs. E. H. of Ash, and Stella Finckannon, returned home Saturday. Mr. Finckannon is in the U. S. Post Office employ.

Robert and William Holoms, of Greenville were visitors in Seneca Sunday, at the home of Dr. E. A. Hines.

There was born to Mr. and Mrs. B. A. Lowry a daughter, this morning at three o'clock.

Mr. C. F. Adams and family visited Pellet and Piedmont Sunday.

Rev. T. M. Galphin, pastor of the Baptist church here is spending a few weeks at Glenn's.

Mr. Tommie Harper and wife and two boys arrived in Seneca from Baltimore last week.

Mr. John Harper has many friends who will regret to learn that he is in poor health and has gone to John Hopkins for an operation.

Mr. B. B. Mayfield of Anderson has been secured to oversee the building of the Presbyterian church here.

## SHE HAD TO LIVE ON A MILK-TOAST DIET

HAD NERVOUS INDIGESTION AND WEAK STOMACH FOR SIX YEARS

SHE LAUDS TANLAC

Has Picked Up Weight and Now Eats Anything She Pleases.

A great many people, especially ladies of culture and refinement, feel a great reluctance in publicly endorsing a proprietary medicine, although they may have derived untold benefits from its use, as publicity is more or less distasteful to them. To a great extent this is the case with Mrs. P. E. Waters, who lives at 287 Woodward Avenue who is naturally of a retiring disposition.

However, to express her own words, "she feels that she would be ungrateful and delinquent in her duty if she did not tell others of the wonderful benefits she had received from the use of Tanlac."

"Mrs. Waters has been a life-long church worker, and her high Christian character and kindly disposition has won for her a host of devoted friends," Mrs. Waters said.

"For six years I was a sufferer with nervous indigestion and stomach trouble. My stomach became so weak that I had to live almost entirely on toast and milk. I lost a great deal in weight, and became so weak that I could hardly walk about. I suffered intensely with severe headaches, was very nervous and often, especially after eating, I was subject to smothering spells. I was troubled a good deal with gas forming on my stomach and I often had severe fainting spells. I was under treatment of specialists, but their medicine, instead of doing me good, seemed to make my trouble worse."

"A friend of mine recommended that I try Tanlac. I had about lost faith in medicines, as I had taken so much without getting any benefit, but I decided to try Tanlac anyhow. I have been taking the medicine according to directions and it has simply worked wonders for me. The indigestion has been entirely overcome, and I do not have smothering spells any more, or those severe fainting spells. My appetite has picked up wonderfully, and I now eat anything I want—such things as turnip greens, hard boiled eggs, onions, hot bread, etc., don't hurt me one bit. I feel well and strong in every way. I have gained strength, and while I have not weighed recently, I know I have picked up considerably in weight. I know it from the way I feel and from the fact that my clothes are all getting tighter on me. I am telling all of my friends about Tanlac, and am glad to recommend it to anyone who is suffering as I did."
